

WELCOME TO MACEY CONTROLS LTD

How to find us :-

If you have come via the M25 you will probably leave the M25 at junction 11, head towards Woking .

At the first roundabout turn right towards Chertsey (St Peters hospital will be on your left).

Go straight across the two mini roundabouts (still heading towards Chertsey).

You will then come to a large roundabout (with a red brick school on your left), turn right into Hanworth Lane.

You will go through a small housing estate, continue to follow the road round. The right hand side will eventually become open ground with just offices etc on your left.

You will then see a Black & Mauve building with round windows on your left.

Immediately afterwards you will see a White building with a large sign "Apple Coachworks". We are located on the first floor of this building.

After parking you will find that we have a side entrance door on the right of the building.

NOTE

Some satellite navigation systems may take you into the original Hanworth Lane entrance which does not connect with the current road.
